**Director
JECRC, Jaipur**

Message

The JECRC Foundation has been established with a view to provide world class education to our young minds so that they can shoulder their global responsibilities in the years to come.

The JECRC Foundation, now 18 years old, has established itself as one of the leading self-financed colleges in North India. This has been primarily due to the large significance that the college puts on the teaching learning process.

The focused areas at JECRC now, apart from teaching learning and placement would be research and development, entrepreneurship and outreach. We also strive to help our students in maintaining and spreading the rich Indian culture and lead the world as our country has done in the past. As you move ahead and rise higher in your life, you must entrench yourself in this unique blessing that our culture endows us.

I wish to convey me greetings to all our Alumni and wish each one of them all success in their personal and professional lives.

Best Wishes

(Arpit Agrawal)

**Principal
JECRC, Jaipur**

Message

A desire can change nothing, a destination can change something but a determination can change everything. Life is a set of problems.

An engineer has to solve the problem in their domain areas with strong innovative ideas with scientific knowledge. Your commitment to become an engineer by denoting your journey in Jaipur engineering college and research center will be fruitful & enjoyable in every aspect & the experience you gain from here & the moments you spend here."

Best Wishes

(Dr. V.K Chandna)

**HOD (EE)
JECRC, Jaipur**

Message

Nikola Tesla, the well known Serbian- American electrical engineer is quoted as saying "Electrical sources has revealed to us the true nature of light has provided us with innumerate appliances and instruments of precision and has there by vastly added to the exactness of our knowledge. "His words portray the immensely wide and dynamically changing and ever developing world of electrical engineering open to electrical engineer.

EE Department function on the motto that enables it's energetic and motivated faculty member to embark on a journey of expectation , innovation and the development along with the ambitious students.

I'm grateful to all the EE Department for their continuous efforts and untiring support in all possible ways, however just a reminder that we have a long way to go before we test our feet ,so let's continue working together for the betterment of our institute, our country and humanity as a whole."

Best Wishes

(Atul Kulshrestha)

Orientation-16

The orientation program for first-year students was held at the open air theatre and was chaired by the Institute's Director Prof. V K Arora. On this occasion, he apprised the freshers regarding the excellent facilities available and the experienced faculty and other staff of the institution. On this occasion he cited the phrase "कर्म एव मासे"

मेकाधकातेम. The program started with the welcome address of Chief Warden (Boys Hostel) Prof. V P Singh who welcomed all the dignitaries present and informed the students about the dorm rules. Dean (student welfare) Prof. Sathans was instrumental in organising the programme. An annual alumni newsletter was inaugurated by the dignitaries during the orientation. At the end of the programme Chief Warden (Girls Hostel) Prof. Sarswati Setia thanked all the dignitaries students present. Dean (academic) Prof. Baldev Setia, Dean (Property Department) Prof. Arun Goel, Prof. Pankaj Chandna Prof. P C Tiwari, Prof. S N Sachdeva, Prof. Ashwani, Prof. Ashutosh Kumar Singh also graced the occasion along with the heads of all the departments.

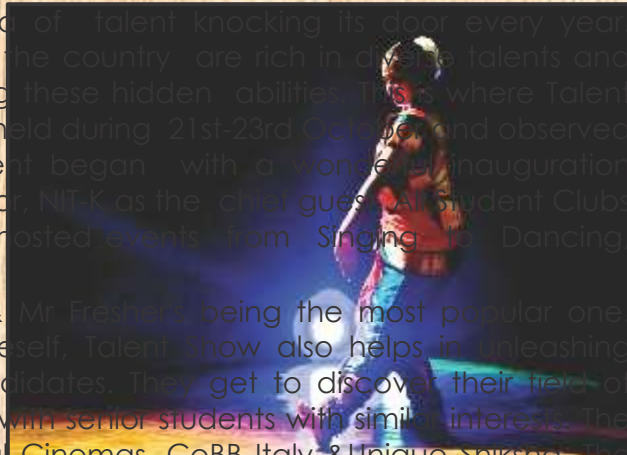

Talent Show

The institute is blessed to welcome a plethora of talent knocking its door every year. Freshmen hailing from almost every corner of the country are rich in diverse talents and skills. Thus, it calls for a platform for showcasing these hidden abilities. This is where Talent Show got its motivation. Talent Show-2016 was held during 21st-23rd October and observed mass participation by the Newbies. The event began with a wonderful inauguration ceremony with Dr. Satish Kumar, Hon'ble Director, NIT-K as the chief guest. All student Clubs under the able guidance of Prof-in-charge's hosted events from Singing to Dancing, Quizzing to Debate

and Fine Arts to various fun events with Ms & Mr Freshers being the most popular one. Besides being a platform for showcasing oneself, Talent Show also helps in unleashing potential hidden deep in the nerdy JEE candidates. They get to discover their field of interest and more importantly, come in touch with senior students with similar interests. The event gained huge sponsorships from Carnival Cinemas, CoBB Italy & Unique Shiksha. The event concluded with an astonishing Valedictory Ceremony with Prof. V. K. Arora as the chief guest.

Altius

Altius, the annual intra-college techno-managerial festival of National Institute of Technology, Kurukshetra. From developing a software, building bridges, making robots, designing an automobile, presenting any new technology, debating and advertising, there was a plethora of events for students to participate into. This year was an eventful one where the fest attracted a huge crowd with a footfall of more than 8000 students. Despite being a technical fest, Altius provided various informal events such as Bodyzorb and fun stall activities which kept the aura fun and light.

Students had the opportunity to learn, grow and venture into the practical realm via various presentations, technical projects and management tasks. Altius 2016 ended on a positive note where everyone had the opportunity to Unleash "The Technical Inferno" hidden inside them!

Confluence

The word confluence literally means the convergence of people, thoughts, forces etc. and the Confluence in NIT KKR doesn't fall short of its definition. Welcome to the annual cultural festival of our college, Confluence. From the class in the afternoon to the smoothness in the music, from the ground breaking dance performances to the boring dramatics, from the awesome fun events to a celebrity performance, the end of the year is just the whole perfect package. This year witnessed several literary events like quizzes, creative writing, debates etc. in both English and Hindi languages. The musical events consisted everything from thrilling guitar riffs from different bands to the melodies of solo singing. The dances were so creative that words aren't sufficient to describe them. The dramatics reflected the very roots of Indian society and the ones highlighted many social problems like women empowerment etc. through perfectly crafted screen plays. This time we had our first stand-up comedy show starring Anirban Das Gupta. A beautiful end to a 4-day ride through awesomeness was given by soulful performances by Madhyam Band and rocking numbers by renowned Punjabi singers, Jassi Gill and Babbal Rai. It was a festival of dreams indeed.

Convocation

"A life of joy and happiness is possible only on the basis of science and technology. The end product of education should be a free and creative man" said Dr. V.K. Saraswat (Member NITI AAYOG and Former Chief Scientific Advisor to Defence Minister of India), during the 14th convocation at the National Institute of Technology Kurukshetra. Dr. Saraswat congratulated the young Graduates and appealed them to establish India as a global leader in the field of technology and innovation. R. K. Bakshi (Chairman & Managing Director, RRB Limited) praised the students for their hard work, perseverance and persistence.

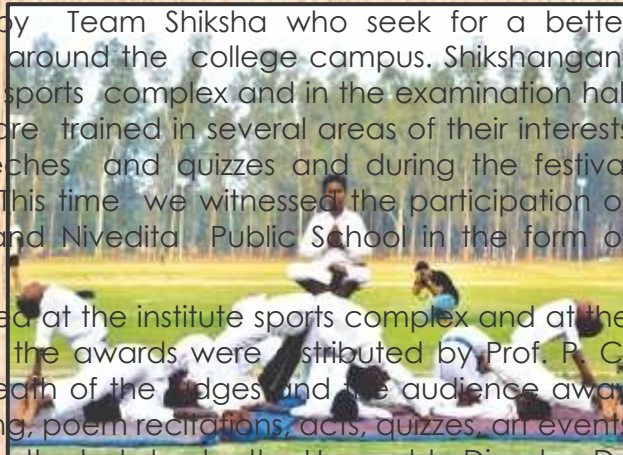

As an alumnus of this Institute he cherished his memories. Mr. Jagdish Khattar, Chairman - Board of Governors and Former Managing Director Maruti Udyog Ltd. expressed his joy for the success of the graduating class and asked them not to forget the debt they owe to the country and contribute to its development. Satish Kumar, Director NIT Kurukshetra expressed his pride in achievement of the institute and its glorious past. During the Convocation a total of 725 UG , 437 PG and 45 Ph.D Degrees were awarded. The Institute felicitated Padma Bhushan Dr. V.K. Saraswat with the Honorary Degree of D.Sc. and Padma Shri Rakesh Bakshi with the Doctorate of

Shikshangan

Shikshangan is a cultural festival organized by Team Shiksha who seek for a better education for underprivileged students in and around the college campus. Shikshangan-17 was organized from 14th to 16th April in the sports complex and in the examination hall of the college. Every year students of Shiksha are trained in several areas of their interests like dancing, singing, dramatics, sports, speeches and quizzes and during the festival several competitions are organized for them. This time we witnessed the participation of Kurukshetra University based NGO 'Chetna' and Nivedita Public School in the form of external entries. The

first day was a sports session which was organized at the institute sports complex and at the end there was a felicitation ceremony where the awards were distributed by Prof. P. C. Tiwari. The second and third days took the breath of the judges and the audience away with their ground breaking dances, soulful singing, poem recitations, acts, quizzes, art events and more followed by the award distribution on the last day by the Honorable Director, Dr. Satish Kumar. The occasion was graced by Prof. P. J. Philip, Prof. Sathans, Prof. Mayank Dave to mention a few. In the end it can be said that the motto to enlighten the world with education and hope was sincerely kept alive by the team.

Blood Donation Camp

To the young and healthy it's no loss. To sick it's hope of life. Donate Blood to give back life. Share a little, care a little - Donate Blood.

With this motto in mind, a blood donation camp was organized by the Rooh society in association with the Indian Red Cross Society on 8th of April this year. The NIT Kurukshetra Alumni Association remained the title presenters for the event.

A lot of students, academic and non-academic staff came forward to contribute towards this noble cause. The venue was at the Examination Hall in the institution and it was open till 4 the evening.

NIT KURUKSHETRA ALUMNI ASSOCIATION

The Alumni Association enables its members to contribute towards a larger family and to help them in various endeavours. We believe that together we can conquer the world and win any quest at our disposal. The Alumni Association touch with the students and the NIT Kurukshetra authorities, including the Director, Professors and everyone who is a part of it.

WISDOM OF TIME

Alumni Talks - 6th Iteration

The 6th iteration of alumni talks was held on Saturday, Oct 1 2016 with a special theme of "Entrepreneurship and Start-Ups". The event got an energetic start by Prof. Pankaj Chandna, President, NIT Kurukshetra Alumni association. The gathering was graced by Honorable Director, Prof. V.K. Arora, who also gave the welcome address. Prof. Arora is also an alumnus from the 1970-75 batch. He highlighted the importance of Alumni in the brand building of the institute and expressed his sincere views on the theme of the talks. The Chief Guest of the gathering was Mr. Atul Lal, an alumnus from the 1978 batch. He gave the inaugural address and a direction to the event. He shared excerpts from his rich experiences in the industry during his long career spanning around 36 years. The idea of entrepreneurship and start-up is linked to innovation, planning, using technology, product & market analysis, transformation of lives and risk taking. Distinguished Alumni of our institute belonging to different fields and backgrounds were invited to share their knowledge, insights and experiences of opportunities and challenges in entrepreneurship & start-ups and about how they see the future. The distinguished alumni who graced the occasion were Mr. Anil Chhikara (1983-88), Mr. Sanjeev Bindlish (1989-93), Mr. Shouvik Roy (1991-95), Mr. Kantanu Kundu (1994-98) and Ms. Aditi Bansal (2006-10). The event also marked the auspicious presence of various HODs, Prof-in-charge's and other reputed faculty members. The grand success of the event was not imaginable without the huge enthusiasm of the students of the institute, who gathered in large numbers to enlighten their views on Entrepreneurship from stalwarts of the Indian industry.

Alumni Talks - 7th Iteration

The Alumni talks held in the month of March 2017 saw the august presence of Mr Rajeev Kapoor, an alumnus of 1971-1976 batch. He spoke about how he gained his experience as he proceeded up his professional ladder and worked in various positions such being CEO of FIAT and MD for India in Copart.Inc. He emphasized on the importance of practical knowledge and learning in the industry. We were also obliged to have Mr. Deepak Cool, an alumnus of 1994-1998

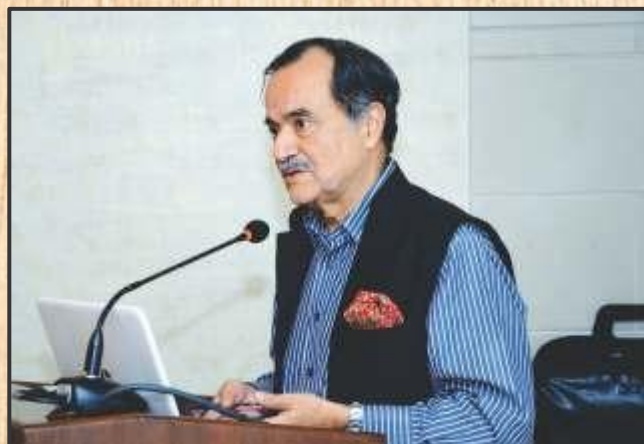

batch, focused his talks on the importance of 'Product Management' and how it is vital for building product strategies, online marketing and deciding which sectors of the public to concentrate on. Having acted as Advisors to several start-ups, he also described to everyone his journey of building KarmaCircles and the various impacts that social media has on our lives nowadays. As the last speaker of the day, we were pleased to have Col. (retd.) Arun Gandhi, alumnus of 1974-1979 batch, who highlighted the importance of 'Managing Change with Hands, Head and Heart' and its effect on Skill Development. He asked self-evaluating questions and stressed upon the fact that there is never dearth of learning and one can always train himself/herself as suited to one's needs. The Alumni Talks ended on a positive note which saw the enriching flow of knowledge and information from the experienced to the fledglings.

Distinfaished Alumni Meet (DAM-2017)

In an attempt to chalk out the agenda for a more active Alumni engagement, a select group of Alumni was invited to an evening of interaction and deliberations at the India Habitat Centre, New Delhi on 8th April 2017. The aim was to mark the beginning of a vibrant relationship between the Institute and the Alumni to pave the way in taking our Alma Mater to greater heights. Devender Singh Rana of 1981-86 batch, Founder & Chairman, Vehicleades, was the sponsor of the event. The following were the participants:

Devender Singh Rana	1981-86	Founder & Chairman, Vehicleades

Sanjeev Khemka	1987-91	President, Khemka Containers Ltd
Sameer Jain	1987-91	Founder & CEO, Net Solutions
Suveer Kumar Gupta	1992-96	MD & CEO, Shivalik Mercantile Co-operative Bank Ltd

The panel suggested that the institute should engage management professionals to market the institute effectively and active promotion of activities should be done in social media by a designated group of students. The alumni extended their everlasting support in developing the much necessary soft skills, life skills and practical skills in the students. There was a suggestion to map the competency of the student during the 1st year and group them accordingly in order to be counseled by the alumni experts in those areas. Almost all the Alumni present enthusiastically offered to be available to the institute, as and when required, for this purpose. Projects on Grubbs Catalyst & Silicate based Zeolite Catalysts was promised by Shri Amarnath. Dr Manoj Singh assured projects on Lithium Ion Batteries and Shri Ankur Gupta came forward with projects on renewable energy for the students. The Group of Alumni from Gujarat committed themselves to the Sponsorship of DAM 2018 and Overall Excellence Award of Rs 50,000. 10. A core group of about five Distinguished Alumni was proposed to be formed to monitor the progress being made in the implementation of the all suggested activities.

SOMEWHERE OVER THE RAINBOW

Golden Jubilee Alumni Reunion of 1966-71 batch

The Golden Jubilee Alumni Reunion of the 1966-71 batch of NIT Kurukshetra formerly known as REC Kurukshetra was organized in the Institute on 3rd and 4th of December, 2016. For most of the distinguished RECKers, this presented an opportunity to revisit their beloved Institute after many years and meet their fellow batchmates. The celebrations which kicked off on the 3rd involved an informal meeting in which the alumni met and interacted with each other often rekindling old friendships after which they were taken on a tour of the Institute

campus and their erstwhile residential hostels. The alumni had the opportunity to interact with the present students of the institute and were more than happy to share their experiences in the

form of anecdotes.

The events on the 4th were kick started with the alumni having breakfast in their old hostel mess and reminiscing about times past.

Various improvements were suggested by alumni such as a career counseling Centre in the institute, to increase industry interactions to find out the latest trends, improving the soft skills of the students and to acquire better research projects for the Institute. The Director of the Institute,

Padmasri Dr. Sarish Kumar, welcomed all the suggestions from the alumni and promised to execute them in a planned manner.

A website for the NIT Kurukshetra Alumni Association was also launched by the Director on this occasion. Two superannuated faculty of the Institute, Prof.

P.J. Phillip and Prof. S. S. Rattan, were also felicitated on this occasion.

The alumni were also presented with mementos and tokens as memories of the grand reunion.

Reunion of 1987-91 batch

The reunion of the 1987-91 batch of NIT Kurukshetra (formerly RECK) was organised on 5-6 November, 2016 on the occasion of Silver Jubilee of the 1991 passouts by NIT Kurukshetra Alumni

Association (NITKAA). The first day of the event began with arrival and registration of alumni in the NIT Guest House.

This was followed by a series of introductions by the alumni and a group photo session. A complete campus tour covering departments, hostels and canteens was arranged to refresh unforgettable memories. The formal gala dinner party was held at Hotel Saffron.

The official gathering was held in the Senate Hall on the next day. Shri Satish Kumar, Honourable Director, NIT

Kurukshetra was the Chief Guest. The inaugural address was given by Prof. Pankaj Chandra, President, NITKAA congratulating the batch of 1987-91 on their passing out Silver Jubilee.

The batch was welcomed by Hon'ble Director and mementos marking the Silver Jubilee were presented. This was followed by an interactive session focusing on the assistance and contribution the alumni can provide so as to strengthen and improve the development of the institute.

Several key ideas were exchanged in various aspects like placements, curriculum etc. Mr. Sanjeev Khemka, an alumnus of 1987-91 batch announced a "Khemka award" to be awarded to the student with the most innovative Major Project in the final year.

I'll be there for you...

जेईसीआरसी में हुआ एंटी रैगिंग कमेटी एवं एंटी रैगिंग प्रकोष्ठ का गठन

जयपुर (कास)। सीतापुर स्थित जेईसीआरसी इंजीनियरिंग कालेज में शुक्रवार को एंटी रैगिंग कमेटी और एंटी रैगिंग प्रकोष्ठ का गठन किया गया।
विशाल अनुदान आयोग यूजीसी डॉ. पर आधारित इस कमेटी से यह तय किया गया है कि इस गठन वर्षों की तरह ही जारी रहेगा।
इसके लिए कमेटी की ओर से सभी प्रकार की तैयारीयों को पूरा कर लिया गया है। कालेज की इस एंटी रैगिंग कमेटी के चेयरमैन ओ.पी. जैन ने बातचीत के दौरान बताया कि कालेज प्रबन्धन की ओर से सुप्रिम कोर्ट के निर्देशानुसार सभी प्रकार की तैयारीयों पूरी की जा चुकी हैं। एंटी रैगिंग कमेटीयों को आकस्मिक जांच के आदेश दिए जा चुके हैं और संस्था के कैंटीन, टॉयलेट, होस्टल एवं लायब्रेरी जैसी जगहों पर खास तौर पर निगरानी के लिए एंटी रैगिंग प्रकोष्ठ की तैनात किया गया है। इस संबंध में सभी संबद्ध व्यक्तियों की मॉनिटिंग चेयरमैन ओ.पी. जैन की ओर से कालेज परिसर में रखी गई, जिसमें कि वाईस चेयरमैन एम.एल. शर्मा, संस्था के प्रिंसिपल पी.के. चांदना और सीनियर एडवाइजर पी.के. तिवारी उपस्थित रहे।
