Introduction to JECRC Foundation

"When education sees its course, a dream opens its eyes", is the belief of the foundation under the aegis of which top engineering colleges in India are set up. Education is just a spark for which it ignites the minds and inflames the intellect. Ignited minds change the world and bring us a better tomorrow.

The JECRC Foundation, which is in 18th year of existence, is amongst the most reputed educational groups in Higher and Technical Education in North India which has 2 large campuses with 10,000 students enrolled as on date in various courses alongside engineering courses, the major chunk of the admissions being routed through JEE examinations. The engineering college is approved by the AICTE, New Delhi and are affiliated to the Rajasthan Technical University, Kota. The final year batch size passing out in session 2018-2019 is 1704 across all the courses.

Our Offerings

- **Batch Size:** As on now total of 10,000 students are enrolled with the Foundation in various Engineering and Non-Engineering Courses. The size of the final year batch passing out during 2018-19 is 1704 across all courses.
- **Most Preferred Choice of Engineering Aspirants:** JECRC is amongst the most preferred destination by student's community as every year our seats get filled up on priority. JECRC attracts top 8% students every year through RPET & JEE admission quota.
- Out of these around 1000 students are throughout 60% with no backlog status, 800+ students are 65% throughout and 548 students are 70% throughout.
- **Top Ranking:** JECRC has been consistently ranked in the top 100 colleges among 6,500 private colleges by various publications like "The Week" and "Outlook". It has recently been ranked as the 9th Best Institute in the entire North Region by "The Week" magazine and 53rd among all private engineering institutes in India. RTU has also categorized colleges affiliated to it and JECRC has been placed in the A category (permanent affiliation for 5 years) as per QIV rating.
- **Active Research and Development Cell:** JECRC faculty and students have been active in research, funded and supported by AICTE, MHRD & DST. More than 28 R&D projects worth Rs. 595 Lakhs have been funded. Outlook Magazine has placed JECRC 74th amongst top 610 engineering institutions in the country including IITs and NITs. In first hundred engineering institutes, BITS Pilani and JECRC Jaipur are the only Outlook recognized institutions from whole Rajasthan.
- **6 & 2 months Internship Programs:** Foundation sends students for Internship to get exposed to the industry conditions and gain experience in real working environment. JECRC University offers 6 month Internship program which starts from January onwards and JECRC College offers 2 months summer training in May-June.
- **CRT Program:** JECRC Foundation believes in nurturing the talent and serving the excellence. Preparing the students for their high ambitions, JECRC provides them a complete Training Session of 200 hours, a month before the placements. Shaping the diamonds of society, training modules comprises of all the crucial horizons such as Aptitude Test, Group Discussion, Personal and Technical interviews, Mock Drills etc.

 You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives
- Clay P. Bedford

Jaipur Engineering College and Research Centre (JECRC)

JECRC Foundation ardently upholds the practice of self learning and intellectual growth which are integral to education. Its premier engineering institute, JECRC holds a commitment to offer the highest standards of education with state-of-the-art infrastructure. Set up in 2000, JECRC has evolved as one of the top-class engineering institutions of the State. JECRC is the 'Preferred Engineering College' amongst aspiring students and draws meritorious students from all parts of the country. This is evident from the fact that top performers in JEE have chosen JECRC during counselling.

JECRC offers B.Tech programmes in the following disciplines :

- Civil Engineering
- Computer Science & Engineering
- Electrical Engineering
- Electronics & Communication Engineering
- Information Technology
- Mechanical Engineering

Intake Process -

The best minds are selected through Rajasthan Engineering Admission Process (REAP) on the basis of marks obtained in the prestigious Joint Engineering Entrance Examination (JEE).

Choice of The Best

Foundation effects top rankers from the common admission pool of applicants for colleges coming under RTU throughout Rajasthan as well through JEE entrance.

JECRC University

Driven by a culture of excellence, research & innovation

JECRC University is one of the premier technical Universities of North India, Approved by UGC, New Delhi, under the Aegis of JECRC Foundation. JECRC University provides world class education to young ignited minds so that they could shoulder global responsibilities in the years to come. As a University, we see our role as a facilitator for our young students to realize their dreams and hence our motto "Build Your World" with us.

The 32-acre JU campus combines unique classical architecture and thoughtful layout and landscaping to create a perfect learning ecosystem. The campus is located around the prime industrial and institutional hub of Jaipur and is well connected with all parts of the city.

JU aims at creating valuable resources for industry and society through its interventions in creation of research and innovative culture, academic and professional enhancement and cultural enrichment.

Admission Policy: JU strictly believes in maintaining the quality of its students hence, follows a very firm and rigid admission policy, where a student must have a minimum score of 60% in 12th for seeking admission in JU. Thus, making the entire lot of the students of first division holders, consequently, offering the recruiters with best of the students.

B.Tech Courses

- 1 Computer Science & Engineering
- 2 Electronics & Communication Engineering

- 3 Mechanical Engineering
- 4 Electrical Engineering
- 5 Civil Engineering

OTHER COURSES AT JU

- Ph.D (All Streams)
- M.Tech (All Streams)
- MBA
- MCA
- LLB
- BCA
- BBA
- Bsc
- BSc (Agriculture)
- BSc (Design)
- BSc (Hospitality & Hotel Management)
- BA (Journalism & Mass Communication)
- B.COM

Admission Highlights

- More than 72% students were having 70% and above results in their 12th standard examination.
- More than 75% students admitted in session 2014-18 are from CBSE board and belong to 21 states of the country. And they have excellent verbal and written communication skills.
- Top 17% of the students appeared JEE, which are ranked among 220000 out of total 1200000 are enrolled with JECRC Foundation.

Why Recruit from JECRC Foundation

Most Preferred Choice of Engineering Aspirants

JECRC Foundation is amongst the most preferred destination by student community as every year our seats get filled up on priority. Foundation attracts top 8% students every year through JEE admission quota.

Research & Development

Research and Development Activities have always been the core of JECRC Foundation's ideology. More than 28 R&D Projects, worth Rs. 60 lacs have been funded by various government agencies.

Leadership Pipeline

JECRC strongly believes in creating true leaders in various fields and hence, understands the critical role of good leaders in an academic set up. JECRC thus, has a strong embedded panel of true leaders in its management set-up who provide able guidance to the students as well as the faculty of different departments. This endeavour of JECRC has been continuously helping the students to achieve their dream jobs from amongst renowned companies.

Extremely Successful Alumni

JECRC has a strong base of 11000+ Alumni stationed at various locations across the globe doing pretty well in their respective fields.

The JECRC Alumni Association Cell works as a centralized department of all the campuses of JECRC family including JECRC University and has been established with the prime objective of strengthening the Alma bonds with a larger perspective to inculcate a culture, where the Alumni and the present students of the college can be made to interact with each other leading to an ecosystem of multi dimensional growth and future prospects. The Institution values relationships and our association with students is a lifelong bond.

JECRC organizes regular interactive sessions with the alumni and the present students on Entrepreneurship and grooming of the students, placement training, tips and success codes to

prepare them for the corporate challenges that confront them. Being at various leading positions, they also assist in placements of the students with their organizations and with peer organizations.

Incubating Entrepreneurship

We also incubate ideas amongst our students for choosing in the entrepreneurship as a career. Our Entrepreneurship Development Cell which is funded by the Government of India, Ministry of HRD.

Stellar Rating

Our untiring persistence towards achieving excellence for our students and to set the highest standards of imparting education has been repeatedly acknowledged by renowned agencies of the country. Over the last few years, JECRC Foundation has made its mark on the global map through various awards and recognitions that have come our way. In the year 2016-17 as well, JECRC Foundation has been rewarded by the most reputed magazines, commerce chambers and government bodies. "Outlook" has ranked JECRC 79th among

 **JECRC has a strong base of 11000+ Alumni stationed at various locations across the globe doing pretty well in their respective fields.** 

the top 100 engineering colleges of India. "THE WEEK" has ranked JECRC 55th among the top 100 colleges in India and 8th among the top 10 in North Zone. JECRC was ranked 1st among the private engineering colleges in Rajasthan by Dialogue India Academic Awards 2016. ASSOCHAM has recognised JECRC as the best engineering college of 2017 at the Global Industry & Academic Excellence Awards.

Industry Collaboration & Specialized Resources

It is of vital importance that a candidate should have the practical knowledge of the tools and techniques and hands on experience with the same. To back this thought, JECRC by all means ensures that the Engineers produced by JECRC are not only excelling in the academics but are also industry ready. This model incorporates training from reputed Companies like TCS, Ericsson, Accenture, Pinnacle Infotech, Infosys, Salesforce, Red Hat Linux, Forsk Technologies, CADD Software, Wipro etc.

Batch Size

As on now total of 10,000 students are enrolled with the Foundation in the various of Engineering and Non-Engineering courses. The size of the final year batch passing out during 2018-19 is 1704 across all courses.

JECRC Foundation – Summary of Awards / Rankings

S#	Award / Ranking given by	Details of the award/ranking	Year of Recognition
1	Robotics & Computer Applications Institute Of USA	Chosen among 150 Indian Engineering Colleges, for robotics	2012
2	The Week Hansa	Ranked 32 among Private Engineering Colleges in All India	2012
3	The Week Hansa	Ranked 77th amongst top 100 in India	2012
4	The Week Hansa	Ranked 21st amongst Top 25 colleges in North India	2013
5	World Education Summit (AICTE)	20th Rank among top 30 in India	2013
6	DigitalLearning Asia	AAA + Rating	2013
7	Silicon India	51st rank among top 100 in India	2013
8	Engineering Watch	E-Gov Campus	2013
9	World Education Summit 2013	Use of Technology for Engineering Institutes	2013
10	Global Education Excellence Awards (by Prime Time)	Most Promising and Upcoming University in India	2014
11	National Education Achievers 2015 - Praxis Media	Best Upcoming Engineering College in Rajasthan	2015
12	Dialogue India	2nd top ranking Engineering College of RTU Rajasthan	2015
13	The Week Hansa Research	Ranked 9th top engineering college in North India	2015
14	-do-	Ranked 62nd top engineering college in top 100 in India	2015
15	DigitalLearning	Ranked AA +	2015
16	Bid Group One, Madrid Spain	International Star for Quality Award	2015
17	DigitalLearning	49th in the Top Private Engineering Colleges in India	2015
18	-do-	Accredited AA + Ranking in Rajasthan	2012
19	The Outlook Ranking 2014	Ranked 67th in All India	2014
20	The Outlook Ranking 2015	Ranked 74th in All India	2015
21	National Rajasthan Summit & Awards 2015 (RTU, CMAI, AICTE, AIU, NIELIT, DoT, etc.)	Outstanding Private Technical Education Institute in Rajasthan	2015
22	3rd CMAI CCI Technology Education Excellence Awards 2015	Best University in Internationalization of Faculty and its Students (JECRC University)	2015
23	Leaders Speak Education Summit Award 2015	Best in Research Activities (Higher Education Category) Winner	2015
24	The Week Hansa Research	Ranked 8th top engineering college in North India. And Ranked 55 in all India	2016
25	Outlook	Ranked 79th amongst TOP 100 Engineering Colleges in India	2016
26	Outlook	Leading Private University in Rajasthan (JECRC University)	2016
27	Digital Learning The Fifth Estate Awards 2015	Enriching eduPRENEUR	2015
28	Global Education Excellence Awards 2016	Most Promising Private University in North India (JECRC University)	2016
29	Dialogue India Academic Awards 2016	Best (1st Rank) Private Engineering College of Rajasthan	2016
30	Dialogue India Academic Awards 2016	Top 25th out of 30 Best Private Universities in India. (JECRC University)	2016
31	24MRC Network - The 2016 Leaders Awards (Education)	Engineering Institute Award (Rajasthan)	2016
32	24MRC Network - The 2016 Leaders Awards (Education)	Private University Award (Rajasthan) (JECRC University)	2016
33	Re:think india	Campus Swacchata Award 2016 (JECRC-UDML)	2016
34	Re:think india	Employability Enunciators of India 2016	2016
35	Re:think india	eduDESTINATION AWARD 2016 for establishing its impressive contribution towards making the Pink City a pre-eminent eduDestination of India (JECRC University)	2016
36	Re:think india	Top Campuses of RTU for eduDESTINATION AWARDS 2016	2016
37	Mega Time 4 Media P. Ltd.	Best Private University for Academic Excellence in North India (JECRC University)	2017
38	Green Revolution Global Certification Program	Award of Appreciation in an initiative by International Centre for Culture & Education	2016
39	ASSOCHAN in association with Springer	Awarded as Best Institution at 2nd International Conference of ICT of Intelligent System	2017
40	Govt of India	Recognized as Nodal Centre for 2 ministries for Smart India Hackathon	2017
41	IIT-Delhi	Award of Appreciation from IIT-Delhi for setting up Virtual labs in the Centre	2017
42	CAREERS360 Rating 2017	Rated as AAA + (JECRC University School of Engineering)	2017
43	94.3 MY FM - Dainik Bhaskar	Excellence in E-Learning Resources-2017	2017
44	The Week	Ranked 23rd among all Private Universities in India. (JECRC University)	2017
45	Times of India	Ranked 53rd among all Private Engineering Institution in India	2017
46	Outlook	Ranked 79th among all Private/Govt. Engineering Institution in India	2017
47	The Week	Ranked JECRC University 26th among all Private University of India	2018

Unique initiative at JECRC Foundation

Research & Development

Financial support has been obtained from various funding agencies like the Department of Science & Technology, Govt. of India, All India Council for Technical Education and others, for a number of R&D projects. The total funding around 4 Crore. Three R&D projects from DST have been completed and reports submitted to the full satisfaction of DST.

A large number of student projects has been funded by The Department of Science & Technology, Rajasthan. An exhibition of 55 selected projects was organised in which the Director (DST) showed keen interest and appreciation for the completed projects.

The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. The CSI is also working closely with other industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every single citizen of India.

A large number of student projects has been funded by The Department of Science & Technology, Rajasthan.

In 2017-18, JECRC faculty published more than 220 papers in various national and international journals and proceedings of International and National conferences organised by reputed institutes.

Validation and scientific basis of 'Meditation and Omnics to cure various diseases and their role as therapeutic targets' has been approved for Rs. 45 Lacs funding by Department of Science and Technology, Govt. of India. JECRC is developing a Meditation research lab which help students and staff to work on physical and metaphysical aspects of the human mind.

Industry Institute Partnership Cell (IIPC)

JECRC has established an Industry Institute Partnership Cell with an aim to train and develop the right kind of technical manpower necessary to sustain and promote Industrial and economic growth. It promotes continuous interaction between Industry and Institute through various activities. Students of all branches get exposure to industry by visiting different industries. Specialized talks by various industry experts as well as Faculty Development Programs and Technical Seminars are organized. Infosys, TCS, Wipro EMC, Mico Bosch and many other Industries are actively associated with the IIPC of the Foundation.

Entrepreneurship Development Cell

JECRC has established an Entrepreneurship Development Cell to create an environment for self-employment and entrepreneurship development through formal and non-formal programs. It organizes various programs to enhance entrepreneurship skills in the students of JECRC Foundation. Some of these programs are Entrepreneurship Awareness Program, Entrepreneurship Development Program, Skill Development Program, Business Development Program in Export Marketing, Entrepreneurship Awareness Camp, B-Guru, Industrial Visit, Faculty Training etc.

Incubation Centre - Start Up Ecosystem in JECRC

JECRC believes that entrepreneurship is not just about starting companies, but a pathway towards India's socio-economic development. Our vision is to make students and faculty 'entrepreneurial' in every work that they do. We hope to enable them to solve global challenges as we see students as the greatest capital and intend to nurture them, provide them with opportunities for excellence. The Incubation centre by JECRC strives hard to make the student's entrepreneurial journey smooth and infuse the spirit of entrepreneurship among others.

It aims to unlock students' latent inventive

potential. Not only do we show the doors of opportunity but we also equip to walk through it. Through our conference, social events, lectures, speaker engagements and workshops, we're hoping to bring together everyone interested in the startup world and to help students best utilize resources to find or join startups.

And the best example of the support that JECRC provides by always being the cushion in the entrepreneurial journey of its students can be very well seen from the larger number of alumni who have gone out of the box and started their own start ups which deal with a variety of fields ranging from manufacturing of Jaipur Belt to being the producer of movies. With more than 150 alumni start ups JECRC stands high to provide guidance to its present students by organizing talks between present CEO's and the budding Founders, that quenches a lot of budding answers and gives birth to new ideations simultaneously. What can be better than hearing it from the ones who have been in the same boat and sailed it to nooks of the world yet to be explored by others

International Research Internship

On December 20th, 2012 JECRC Foundation & University of Alabama, USA joined hands to enhance the Promotion and Development of Collaborative Research Program, Academic and Culture Exchange Programs and other cooperative activities and assistance in areas of mutual interest and benefit.

"OUTSET" Placement of Below Par Students

JECRC Management has taken a unique initiative of starting a vertical exclusively for placement of students with less than 60% marks and many backlogs. This group works for providing training, motivation and opportunities to students who earlier could not even dream of a Campus placement. With the untiring efforts of this group about 440 such students have been placed in six good companies with an average package of 2 LPA and maximum package of 6 LPA.

Career Centre

JECRC Foundation has taken this initiative to provide students with a launch pad to attain greater heights in their career and to think beyond the boundaries of India for their further studies. Most students are not able to qualify for foreign universities due to lack of knowledge about the application process. This is the gap that this cell will bridge.

Pre-Placement Training Module

To arm our students with added advantage and to enable them to handle the pressure of a campus recruitment, preparatory classes are organized for *200 Hours before placements* where specialized trainers are hired who hone the technical skills and aptitude of the eligible students. Mock Interviews and Group Discussions are also conducted to provide students with a real time simulation of an actual campus drive. The students are gauged under constant monitoring by guardian faculty and are directed accordingly.

Aura Research Lab

JECRC has set up an aura research lab in association with the Department of Science & Technology under the project "validation and scientific basis of meditation & omnics to cure various diseases and their role as therapeutic targets". The objectives of this lab are to prove that meditation involves neurophysiological processes and has a long term impact on brain and to validate meditation and omnics as scientific tool and to cure Sleeping Disorder/Diabetes/Blood Pressure through meditation. Two junior research scholars have been exclusively appointed to carry out this project.

Strong Alumni Outreach

As a 17 year old organization we have an alumni base of more than 11000 students settled all across the globe proving their mettle in companies of highest repute, world class institutes of higher education, administrative services, top notch govt jobs and nonprofit organizations. We believe in the "once a JECRCian always a JECRCian" mantra and hence take continuous efforts to stay connected with our alumni. A Alumni Association Dept. works round the year to conduct Alumni Meets in major cities of India and abroad and organize online and on campus events for alumni to come together and interact with current students. Few of alumni meets were conducted in Bengaluru, Delhi-NCR, Mumbai, Pune, New York (US), Start-up Meet and Jaipur Reunion Meet.

Placements @ JECRC FOUNDATION

The Foundation has set an exemplary record in engineering placements with its students being chosen by industry leaders, year after year. Its 'Stand-alone Recruitment Drives', where leading business houses participate to test the mettle of the students of JECRC, have led to it being named among the best placement engineering colleges in India. Owing to its consistent performance in recent years, JECRC Foundation receives top-notch companies every year exclusively for recruiting its students. Thus it is getting closer to its pursuit of becoming the highest placement provider in India.

Students' Performance in Day 1 & Day 2 Campus Recruitment Drives :

The JECRC students record excellent performance which is very much indicated by the table below:

Company Name	Session	Selections
HCL Technologies	2007	70
Infosys Technologies	2007	24
Tech. Mahindra	2008	72
Infosys Technologies	2008	44
Tata Consultancy Services	2009	50

History of JECRC Placements

Internship Program @ JECRC University

JECRC University believes that internship in a good company open door for students' future career aspirations. Internship provides opportunity to adjust to the corporate environment and the corporate also gets time to assess and upgrade the skills of students customized to their operations. The 6 months mandatory internship program in the last semester of their studies help students to use these skills learnt in the university on live platform and projects of the company. By the time they complete their internship most of them get directly absorbed in the same company.

- For 3 consecutive years we have seen 1692 students across the streams that include B.Tech., MCA, M B A , BHMCT getting internship in various reputed organization such as ISRO, DRDO, TCS and many more.
- 42% students received paid internship with stipend ranging from INR 4000-INR 28000 per month.
- 72% of the stipend based internship got converted into placements. This is considered a healthy figure across the board directly from internship
- Many of the students during internship worked on live projects with the company and are a part of its implementation.
- Like Placements, JECRC University conducts internship drives in the campus and this year more than 25 internship drives were conducted.
- Internship programs are conducted rigorously and regularly monitored for the student performance with the mentors in the company and student guides assigned at the University for each student.

Top Companies for Internship at JU

It has been said many times: 'it's not about what you know; it's about who you know'. While it is vital to know how to perform the required tasks for a particular job, having a good set of industry contacts behind you can be just as vital in helping you find and secure a job after you graduate.

There is outstanding internship placement in all streams (Engineering, Management, Hotel Mgmt) for last three consecutive years and in new branches too in last year.

Achievements

Microsoft Student Partner : JECRC has produced 38 Microsoft Student Partners in the year 2016 and 19 in the year 2017 which is the highest number of MSP selected from any institutions from India among 400 participating institutions that included IITs NITs.

HIGHEST NUMBER

of  Microsoft Student Partners selected from any institution in INDIA

The program had participating from 400 colleges including IITs & NITs 1205 selections countrywide.

Smart India Hackathon

Grand Final at JECRC: Stepping forward to make Prime Minister Narendra Modi's Digital India campaign a reality, All India Council for Technical Education (AICTE) and the Ministry of Human Resource Development (HRD) decided to come together to organize a two-day national level technical event "Smart India Hackathon-2018" second in a row.

JECRC was one of the only 26 colleges from all over the country and one of the only 2 in Rajasthan to have been shortlisted as the nodal centre for conducting the Grand Finale of Smart India Hackathon. Furthermore, JECRC was designated as the nodal centre for two ministries, Department of Posts & Department of Industrial Policy & Promotion in 2016 and ministry of information and Broadcasting in 2017.

THE PART OF INDIA'S DIGITAL REVOLUTION

JECRC Foundation

is proud to host the
World's largest Hackathon

Organised by Govt. of India.

Foundation offers an Excellent Infrastructure Support

JECRC offers an excellent infrastructure for conducting the placement recruitment drives. We have fully air-conditioned and equipped Auditorium. College has more than 800 computers in the various computer labs and facility to hold remote interviews on Skype, Air conditioned conference halls, GD and Interview Rooms.

We have hosted a several huge pooled campus recruitment drive successfully with participation of around **1800-5000** students for the various mass recruitment companies viz. Accenture, Tata Consultancy Services, Tech Mahindra, Wipro, Infosys, HCL Technologies, Huawei Technologies etc.

With this excellent modern infrastructure, holding successful recruitment drives at all JECRC Foundation campuses would be possible.

Life @ JECRC Foundation

Cultural Fest - Renaissance

The national level techno cultural fest of JECRC, Renaissance has made a niche for itself among all colleges in the region. It's the second largest college fest of Rajasthan organized every year in March and witnesses a footfall of more than 8000 students from top colleges from across the country. It invites students from all around the globe to put their inventiveness, ingenuity and aptitude to test. This year the students got a chance to meet environmentalist & social activist, Sh. Chandi Prasad Bhatt and well known water conservationist, Sh. Rajendra Singh aka Waterman of India. In past we have witnessed notable celebrities visit our college during Renaissance. Lt. Jagjit Singh, Shubha Mudgal, Euphoria, Javed Ali, Grammy Award Winner Pt. Vishwa Mohan Bhatt, Nobel Laureate Mr. Kailash Satyarthi, Ranbir Kapoor, Abhishek Bachchan are a few of such esteemed names.

Self Defense Classes for Women

An exclusive self-defense training program has been institutionalized at JECRC to arm our female students and staff with the skills of Karate so as to enable them to protect themselves in case of any untowardly incident. These classes are conducted thrice every week and the participants are trained by a black belt holder in Shotokan Karate. At present more than 60 students have enrolled for this program.

Social Face of JECRC Foundation

"Social interaction is a major aspect of the leisure lifestyle. This is particularly true of adult leisure involvement. In many situations, the social interaction is more significant and important to the participants than the activity itself". At JECRC University lot of social activities are imbibed in the curriculum to give an exposure & to be part of society at large. This helps in developing a bond amongst students who would become future citizens of this country.

Zarurat The Help Beyond...!

Zarurat is a student's organisation, working in the direction to provide elementary education free of cost to the underprivileged children living in the nearby slum areas of JECRC, Jaipur. The motive of Zarurat is to not just to impart elementary education to slum children but also to introduce them to the modern world of learning in a way that every child should have. Zarurat focuses on imparting a healthy all round development of those children who are deprived of the same. Zarurat started with 60 students from the slum areas and has now grown to more than 180 students. The team distributes clothes, stationery, food items and other essentials to the children at regular intervals to help them continue with their studies.

Zarurat has been organising an annual event "Zarurat celebrating innocence" for children of different NGOs of jaipur, since the last 7 years. Around 300 children are a part of this gala event which gives them a day that is full of joy and happiness.

Live Blood Donation Initiative-Aashayein

Youth are the rising sun of our country, awakening them and their participation in the making of a better society is of utmost value. A Blood Donation Camp was organized for students which was inaugurated by Colonel Nalin Chauhan in presence of Shri. Amit Agrawal, Vice Chairman, JECRC University, JECRC University. Seeing such enthusiastic participation of the youth, has proved to be a motivation for citizens of the country. This year JECRC Foundation has collected total of 12714 blood units and 1100 + SDP till date Units.

SOCH

SOCH is social initiative that aims to work for the betterment of the society, we are living in. Its aim is to help the underprivileged sections of the society and to work at the grassroots level and serve the needy by providing them with the basic necessities of love and care. Apart from this, SOCH encourages students of the foundation to think out of the box and realize their social responsibility. To achieve its goals, SOCH conducts health checkups camps at regular intervals. The group also organizes the VASTRA SAMMAN drive, where visits are made to old age homes and orphanages and blankets and other clothing items are distributed among the needy. SOCH is also actively involved in the cleanliness and tree plantation drives at JECRC.

SUHASINI

SUHASINI is a social initiative taken by the students of JECRC to create awareness towards the education of girl child in the society. SUHASINI was formed three years ago, with a motive to eradicate the menace of female feticide. Students at SUHASINI visit various villages and other backward sections of the society and talk to people on a door to door basis. They also organize Nukkad Natak's and Workshops on occasions like Women's Day and Girl Child Day to attract a larger audience towards the cause.

Parijaat

Parijaat, was born on 8th September, 2013 with a vision of creating a 'Global Civil Society'. Just like its name, Parijaat is a unique group with the aim to use technology for upliftment of marginalized groups of our society. It has an entirely novel concept of Soul Building and aims to erase the ignorance breeding in the minds of the masses and mould them into sensitive and compassionate humans. Parijaat nourishes the soul with excellent literary and art works of classic writers and artists. The students are not only motivated to develop the taste for good music, literature and philosophy but they also organize meetings and discussions to provoke their thought process for the social change.

Vande Matram

Many events are organised, on 21 Sept 2016 a day marking history in the name of "VOICE OF UNITY", more than 1 lac people sang "VANDE MATARAM" creating a national record in the presence of Honorable Chief Minister of Rajasthan and Ministers. A proud moment for all of JECRC Foundation by being a part of it with more than 5,000 people, by showcasing their presence in this mass strength.

Au Jaipur Marathon

A cause for healthy life style
The 8th edition of India's biggest running festival, AU Jaipur Marathon was held on 5th February 2017 and approximately 2000 students and staff of JECRC University participated in the run. It was a wonderful experience for the participants, as they showcased a sense of keeping one self fit in day to day life.
