S. No.	Faculty Name	No of Publications	Date of publication	Paper title	Conference / Journal name	National/International
1	Swati Vijay	3	Jan 2015	Node Disjoint Local Reapir Multipath Routing Protocol	ICRCWIP-2014	International
2			May 2013	Node Disjoint Multipath Routing Protocol with Low Routing	International Conference on computer Computer science and information technology	International
3			July 1905	Introduction: Applications and security issues of IoT	ICITDA2018	
4			Feb 2015	A Variant to enhance QoS in MANET	29th national convention of computer engineers and national seminar on Emerging Technologies in Computer Engineering	National
5	Deepika Bansal	4	March 2015	"A Review on Digital Image Enhancement by Noise Removal"	ICCTS15 - Computer Science and Engineering &Information Technology.	International
6			March 2015	"A Review on Digital Image Enhancement Using Histogram Techniques"	ICCTS15 Computer Science and Engineering & Information Technology.	International
7			April 2015	"Digital Image Enhancement by Improving Contrast, Removal of Noise and Motion Blurring"	IRIJSET'15- Computer Science and Engineering & Information Technology.	International
8			April 2018	Current Security project over Hadoop and Future Perspective	ICITDA2018	International
9	Preeti Sharma	7	2012 Presented/ Publish	Localization in Wireless Sensor Networks: Principle, Classification and Attack models	National conference on Advance Electronics & Wireless Communication Technologies	National Confernce
10			2013 Presented/ Publish	Hide and Seek: An Introduction to Steganography	International Conference On Techno Global Issues: Expansion, Impacts& Challenges-2013	International Conference
11			2013 Presented/ Publish	Security solutions for enterprises and organizations in their communication network using Graph coloring	International Journal of Advanced Engineering & Computing Technologies, Volume 1, December 2013 ISSN- 2249-4928	International Journal
12			2014 Presented/ Publish	Debugging Multi-Agent Systems Using Design Artifacts	International Journal of Advanced Engineering & Computing Technologies, Volume 1, December 2013 ISSN- 2249-4928	International Journal
13			17 Feb 2018	Comparative Analysis of TCP, SCTP and MPTCP in Transport Layer of Wireless Sensor Networks	ICETEAS 2018	International Conference
14			April 2018	"Review of Compression Standards: H.264/AVC and H.265/HEVC Standards and their Comparison Technique"	ICITDA2018	International Conference
15			2012 Presented/ Publish	Steganography: An Application of Information Hiding	National conference on Advance Electronics & Wireless Communication Technologies	National Confernce
16	Shikha Shrivastava	4	2012 Presented/Published	A survey on Telemedicine Architecture		National Conference
17			Sept.2017,Published	Multi-Agent Based Software Architecture for remote health monitoring	Indian Journal of Science & Technology	International
18			Feb 17-18, 2018Presented/Published	Ontology Based personalized web information gathering	ICETEAS 2018	International Conference
19			April 6-7, 2018Presented/Published	Heartbeat monitoring of multiple patients using Python	ICITDA2018	International Conference
20	Kusum Yadav	4	May-2014	Critical Analysis of Database Management Using NewSQL	International Journal of Computer Science and Mobile Computing	International Journal
21			August2014	Comparison of SQL with HiveQL	International Journal for Research in Technological Studies	International Journal
22			· COMPUTATIA-II, 2012, VIT Jaipur.(Nov 30 –Dec 1st 2012).	Services and importance of Cloud Computing	National conference on Computational and Mathematical Sciences. COMPUTATIA-II	National conference
23			April 6-7, 2018Presented/Published	Cloud Computing security for web services	ICITDA2018	International Conference
24				Blockchain Technology: A Digital Revolution	ICITDA2018	International Conference
25			June 2016	An Efficient Method based on Lexical Chains for Automatic Text Summarization	IJCA 2016	International Journal

26	Shweta Saxena	4	25 November 2017	Steganocrypt: An App for Secure Communication	Springer 2017	International Conference
27				A study on benefits and clasification of load balancing in cloud computing environment	ICITOTCT 2018	International Conference
28			April 18	An analysis on numerous load balancing algorithm & virtualization in cloud computing	ICITDA 2018	International Conference
29	Naveen Kumar Kedia	4	2013,Sep	Mutliplicative watermarking using 2 D discreate watermarking	International Journal of Emerging Technology and Advanced Engineering	
30			2017,Oct.	Automated Scheduling For PPI Based E-Wallet"	International Journal of Emerging Technology and Advanced Engineering	International Journal
31			2017,Oct.	Routing Performance Analysis".	International Journal of Latest Engineering Research and applications	International Journal
32			April 6-7, 2018Presented/Published	Synthesis of watermarking using DWT	ICITDA2018	International Conference
33	Priya Gupta	5	Aug,2015	VIDEO SEGMENTATION FOR MOVING OBJECT DETECTION & TRACKING- A REVIEW	IJCSEITR	Interantional Journal
34			Aug,2015	A Systematic Review of Efficient Data Dissemination in Wireless Sensor Network Based on Mobile Sink	IJCSEITR	Interantional Journal
35			Dec,2016	Twin wavelet Frame Difference based multiple Moving Object Detection and Tracking in Video Surveillance Applications	ICRAIE(IEEE)	International Conference
36			17-18 Feb 2018	A Survey paper on different Steganography Techniques.	ICETEAS 2018	International Conference
37			17-18 Feb 2018	A Video Database for Intelligent Video Authentication	ICETEAS 2018	International Conference
38	Sunil Kumar Jangir	6	2016	A Comprehensive Review On Detection of Wormhole Attack In MANET	ICTBIG-2016-Indor (IEEE)	International Conference
39			2016	"Evaluation of Black hole, Wormhole and Sybil Attacks in Mobile Ad-hoc Networks"	ICTCS-2016-Udaipur(ACM)	International Conference
40			2017	A Detection Technique for Overhead Minimization in Tunneling Attack	IC-RAC-2017-Bhopal(Springer)	International Conference
41			2015	Survey of Security Threats and Counter Measures in Mobile Ad-Hoc Networks	International Journal of Scientific and Engineering Research (IJSER))	International Journal
42			2018	Investigation of MANET Routing Protocols via Quantitative Metrics	ISDB-ACM-WIR 2018 by Springer	International Conference
43			2017	A Comprehensive Review and performance evaluation of detection Techniques of Black hole Attack in MANET	in Journal of Computer Science (JCS)	International Journal
44	Pallavi Singh	2	December 2016	SteganoCrypt: An App for secure communication	Soft Computing: Theories and Applications 2016 (SoCTA 2016) proceedings published by AISC Series of Springer.	International
45			2018	Blockchain Technology: A Digital Revolution		
51	PIYUSH GAUTAM	2	2018	COMPARATIVE STUDY OF KNOWLEDGE DISCOVERY IN DATA MINING	ICITDA-2018	
52			2018	VIRTUAL REALITY-AN ALTERNATE WORLD	ICITDA-2018
